**TO:** York County Board of Supervisors

**FROM:** James O. McReynolds, County Administrator

**SUBJECT:** Commendation of Brenda T. Stroup on the occasion of her retirement

On January 1, 2005, Brenda T. Stroup, Senior Accounting Supervisor, will retire after 28 years of service to the County. She began her employment with the County on November 12, 1976, as an Account Clerk II in the Finance Department, managing the daily operation and maintenance of the County's payroll system, and was promoted to Senior Accounting Supervisor in 1990.

During her many years of faithful service, Brenda became the authority in matters of payroll and payroll taxes, interpretation of employee benefits, VRS procedures regarding retirement, property and liability insurance policies and claims, and many other related and unrelated duties. Her impeccable standards and attention to detail is evidenced by the high quality of work produced by the payroll section under her supervision. She will be greatly missed.
